

Our Mission

What We Believe

We Believe Kids are World Changers!

We believe Jesus, God's only Son, is the ultimate world changer bringing forgiveness of sins, eternal life, and a purpose for living to all who believe and trust in Him.

We believe the Bible is the true and inspired word of God.

We believe kids have an amazing ability to understand Biblical truth and apply it to their lives.

We believe God uses kids to reach their sphere of influence.

The Local Church

We celebrate the diversity of the body, and embrace the unique and vivid ways in which God inspires His people to worship Him. We recognize that doctrinal differences exist, and we give way to the local church to teach the principles that they hold true, consistent with a sound biblical basis. Jesus set a powerful example of how to build unity in the body as He embraced people of varied backgrounds, cultures, ethnicity, and in how He valued relationship above all else.

Koncept KIDMO

KIDMO is not about information, but transformation.

Not just biblical stories, but a biblical worldview.

We strive to teach God's truth in ways that impact a child's choices and actions. Creativity and imagination are precious resources for penetrating their language and culture. Kids must be needed, valued, and connected. Their church experience must be relevant to their daily lives. Kids have time, availability, and enthusiasm to accomplish great things for His Kingdom. A kid's day-to-day existence is not side tracked by many of the complications that distract their adult counterparts. By teaching them to develop a biblical worldview, we can ignite an awakening that will impact generations to come. For the same reason that Jesus gave his attention to kids, we believe kids grow best when nurtured by loving mentors and teachers.

That's you!
